

When the Radio Is On
Noble/Calhoun

I

(CODA)wake up in the morning
First sound that I hear
Is that clock radio singin in my ear
I make it to the bathroom to brush my teeth to that big city beat
I jump into the shower, bring my box along
'cause I know all the worlds to all the songs.
Dee jay stops the music to announce the time
Time has come today
Grab my coat and grab my hat
Make my train in seconds flat
All the time I'm listenin' to my radio

CHORUS

Down the block to the corner
You can hear it all night long
On the roof
And out on Broadway,
When the radio is on
You can rock around the clock because you know the beat goes on
They'll be dancing in the streets when the radio is on.

My (CODA)

When you
